

## **Client information whilst at the Clinic**

In the interests of safety please note that:

- All horse **must wear a Bridle** when being handled at the clinic.
- Children are **not permitted** in the treatment rooms.
- Dogs are **not permitted** in the treatment or examination areas and must be kept on a lead in the parking area.
- We ask that all clients **wear Protective Hats** whilst handling your horse at our facilities or being present in the treatment rooms.

Thank you for adhering to these requests which we encourage for the safety of you and your charges.
