I am considering the purchase of the horse described above owned by:

.....

I do not wish to incur the expense of a full 5 stage examination of the horse as detailed in the explanatory notes on the "Examination of a Horse on behalf of a Purchaser" detailed on our webpage relating to Vettings.

I have read and understood these notes. Accordingly, I wish to restrict the scope of your instructions to a limited examination involving only stages 1 and 2, as set out in the aforementioned notes.

I acknowledge that prior to the examination the extent of this limited form of examination has been explained to me.

I accept and understand that such limited examination may not reveal certain conditions which may have been discovered during the course of a full 5 stage examination.
